

# Integrative Mastery Programs

MASTERING THE BRILLIANCE WITHIN

## The Tools of Personal Mastery

-A complete set of Personal Mastery tools designed to inspire an individual to design their most optimal future and develop steps that will get them there.

-A connection of the individual to the various domains of their life, including business and career, as expressions of their Personal Life Vision.

What if you had a Personal Mastery "toolkit" that gave you the power and ability to master each of the following abilities?

- ✓ Be able to learn from an open perspective (Beginner's Mind)
- ✓ Speed up your new skills learning and growth (Formula of Truth:  $C+E=OT$ )
- ✓ Live oriented to the future rather than the past (Road in Arizona)
- ✓ Learn through teamwork (Dialogue)
- ✓ Become an expert problem solver (Results Mastery)
- ✓ Create affective relationships (Communication Guidelines)
- ✓ Develop skills to reach the next level of success (Success Strategy Awareness)
- ✓ Objectively view situations (Mental Models)
- ✓ Learn to transform personal obstacles (Life Mirror)
- ✓ Move beyond personal ego (4-Way/1-Way Mirror)
- ✓ Skillfully create your desired future (Commitment Mastery)
- ✓ Create fulfillment by overcoming barriers with personal growth (Breaking Through Barriers)
- ✓ Motivation to change selected areas of life (Effective Motivation)
- ✓ Create your desired future (Creative Tension)
- ✓ Transform your identity and life purpose through identification of your personal values (PLV/Value Commitment)
- ✓ Get desired, high-impact results (Structure of Achievement)
- ✓ Formulate the future of selected areas of your life (Projects)
- ✓ Create a future that inspires others (Leadership)
- ✓ Reach desired goals through an effective process (Management)
- ✓ Overcome barriers through executive support (Coaching)
- ✓ Create and use the tools of Personal Mastery (Opportunity Triangle)
- ✓ Know when to Lead, Manage, and Coach (Critical Path)
- ✓ Create effective leverage (Rectangles of Progress)

# Integrative Mastery Programs
